COMMUNITY INFORMATIONAL MEETING: Discussion and presentation of potable water service and fire protection options for the residents of Donatello's Village.

In response to inquiries from residents and first responders, the new Whitley County Regional Water and Sewer District (Whitley RSD) has conducted research on the potential cost and feasibility of extending potable water and/or fire protection service into Donatello's Village. As you may recall there was a house fire in August of 2017 where a home in Donatello's Village, which prompted this research and study. We have developed multiple scenarios and options for the review and consideration of the community.

A community meeting as been scheduled on Thursday, March 22nd at 6:00 PM at Dunfee Missionary Church located at 818 W County Line Road N, Fort Wayne, IN 46818 to present additional information and discuss options including how the Whitley RSD could offer the solutions to be presented.

This meeting is informational in purpose and will serve to answer all community questions and/or concerns. We will also solicit an interest survey from all of those in attendance in order to gauge interest in any project options presented, if any. If you have any questions regarding this meeting or the Whitley RSD, please feel free to contact the Whitley RSD at by email at sewerdistrict@whitleygov.com or contact me directly at lane@bcs-management.com. We look forward to meeting with you.

Sincerely,

Lana Beregszazi, BCS Management, Inc.
