

## Whitley County Health Dept Community Environmental Rating Report

Today's Date 10-11-18 Report for Coesse (41 residences not on sewer)

# of non-compliant systems - determined as % 51% non-compliant. 21 of 41

# of citations = determined as a % 7%, 3 written complaints

Information received from community Most residences don't know or care of their  
septic system condition or location.

Physical site assessment Coesse is split by the railroad, septic that ran North  
have been caught by sanitary sewer, those left on the north side, run to the tracks  
or to a tile off site. Those on the south run to off site tiles.

Prior testing data none, visible discharging of septics can be see if you walk the  
tracks.

Written Summary: It has been well known for decades that septics here discharge  
off site and the lots are too small for repairs. Sanitary sewer studies have  
already been conducted.

Overall Assessed Score (1-5): 1
