**SUBJECT: Whitley RSD Board voted not to pursue Sanitary Sewer Project at this time**

You are receiving this letter as a property owner in the Blue River Estates community. This letter is to update you on the Whitley RSD Board meeting that was held on Tuesday, November 20<sup>th</sup> 2018 regarding proposed sanitary sewer project areas in Whitley County. It is the goal of the Board of Trustees (Board) of the Whitley RSD to consider cost feasibility, resident survey results and environmental status, when deciding how to address particular areas. With the resident survey overwhelmingly opposed to the project and the environmental status ranking moderate rather than extreme as in other areas, the Board of Trustees unanimously voted not to proceed with the sanitary sewer project for Blue River Estates at this time.

This area may be revisited at a later date as the environmental concerns remain. The project may also be revisited at the request of residents by means of an amended petition. You can follow along with general informational updates at our website [www.WhitleyRSD.com](http://www.WhitleyRSD.com) and sign up for email updates as well. If you have any questions regarding this matter feel free to e-mail me directly at [ana@bcs-management.com](mailto:ana@bcs-management.com) or the Whitley RSD general email account at [SewerDistrict@whitleygov.com](mailto:SewerDistrict@whitleygov.com).

Sincerely,
